

Kenosha Scholarship Application

Carthage (Also serves as application for the Presidential Scholarship Program)

The Kenosha Scholarship (Eight awarded)

Eight full-tuition scholarships are awarded to Kenosha residents in recognition of the City of Kenosha's agreement to lease parkland to Carthage for construction of a student village and the lease of land to Carthage for student parking. These scholarships incorporate all Carthage assistance, and are valued in excess of \$140,000. To compete, admitted students must return a completed Kenosha Scholarship application and essay postmarked no later than December 3, 2013.

Qualified applicants also will be considered for the following Presidential Scholarships:

The Lincoln Scholarship (Three awarded)

The Lentz/Dahl/Anderson Scholarship (Ten awarded)

Named for Carthage's 15th, 16th, and 17th presidents, Harold Lentz, Erno Dahl, and Alan Anderson '50, these scholarships symbolize the College's strong commitment to students seeking the challenge of a top liberal arts program. These scholarships

will cover 75% of tuition for up to four consecutive years—an award that exceeds \$105,000.

The College's commitment to scholars extends beyond the eight Kenosha Scholarships, and the Presidential Scholarships. Top students typically receive a substantial package of multiple *non-need-based* awards, ranging from \$5,000 to \$13,000, or more. Many qualify for additional *need-based* assistance, making Carthage quite affordable. Carthage Honors Program and Kenosha Scholarship Program candidates are selected from among students who are admitted to Carthage and who have submitted the separate Kenosha Scholarship Application along with the required essay, **no later than December 3, 2013.**

The Office of Admissions screens applications and identifies candidates best suited for the Honors Program and for the Kenosha Scholarship Program. The College notifies these students in January and invites them to campus for a competition on January 24, 2014. This offers a unique opportunity to interact with Carthage faculty, potential classmates, and Carthage Honors students, while competing in the Kenosha Scholarship Program.

During the campus visit, prospective Kenosha Scholars will complete a second essay and have a conversation with two faculty/staff members. Parents are invited to an interactive session to learn more about the benefits of a Carthage education.

The Kenosha and Presidential Scholarship may incorporate all Carthage assistance.
