

GFWC-WI Southern Prairies Health Scholarship

The Southern Prairies District consists of seven counties in Southern Wisconsin: Kenosha, Racine, Walworth, Green, Rock, Grant and Lafayette.

The District's main purpose of this scholarship is to award financial grants to high school seniors planning a career in the health field.

Applications will be accepted with the deadline of March 15th, each year. The District will notify the winner in April and the award will be presented at the district spring convention.

This year's award is \$400.00 to be paid at the completion of the first semester of college.

All applications should be sent to:
