

Gateway Foundation scholarships help keep our students' education more affordable.

Graduating high school seniors planning to attend Gateway need to apply once online to gain access to the high school scholarships provided through the generosity of Gateway Foundation donors. President's Opportunity Scholarships are awarded one per high school in the District. For all scholarships, students need a GPA of 2.0 to apply.

The application for the Foundation's scholarships for graduating high school seniors is open until 6 pm March 16, 2014. The application can be found at: [gtc.edu/foundationsscholarships](http://gtc.edu/foundationsscholarships)
