

## Phi Delta Kappa Scholarship

Attached are links explaining each scholarship opportunity offered by Phi Delta Kappa and an application form. In brief, we have **two \$1,000 scholarships available for seniors entering higher education in the field of education** (due March 1, 2015) and a number of scholarships available on the national/international level for students who intend to major in education (due April 1, 2015). We are using a Google form for the Local chapter Phi Delta Kappa Scholarship. The other NEW part of the scholarship is the applicants must be majoring in a field of EDUCATION. Please, encourage your students to first type out responses in a word document then copy and paste into the Google form, there is no way to save the form.
