## ABOUT THE HARBORSIDE FOUNDATION

The Harborside Foundation was established to enhance the educational experience at Harborside Academy primarily by providing funding to support academic enrichment.

Ninth years ago, the Harborside Foundation initiated an endowment fund for the purpose of providing scholarships to selected Harborside students for their post-secondary education. This June will be the eighth year in which assistance will be awarded through the

*Angela Edwards Scholarship Fund.*

Angie Edwards was a Harborside Academy art teacher who sadly passed away of breast cancer in our 2nd year of operation. Angie's passion for the arts and education will live on for years to come. We have named these scholarships in her honor.
