How to Sign Up to be on our Wait List to Attend Harborside Academy High School:

We are maintaining a waiting list for the Class of 2019 (12th grade), Class of 2020 (11th grade), Class of 2021 (10th grade), and Class of 2022 (9th grade).

In order to be placed on our waiting list, please complete application below and return to Harborside Academy, 913 - 57th Street, Kenosha, WI 53140. You may also fax your completed application to (262) 359-8450. We will contact you when a spot becomes available. Call (262) 359-8402 with any questions you may have.

Please understand that Harborside is a small school with limited course and credit recovery options. Having your name come up on the waitlist is the first step towards being accepted as a transfer student. In order to be accepted, Harborside also has to be able to build a schedule to help your student graduate on time. For example, a 12th grade student moving in from another state might need a class that we cannot offer within our limited 12th grade schedule. Or, another student might want to transfer in but they have failed/missed too many classes which makes it impossible for us to build a schedule for them. If either of these situations is the case, please understand that Harborside cannot accept all students who are on the waitlist.
